Our ref: FOISA 2008/46

13 October 2008

To Mr Staniford via e-mail

Dear Mr Staniford

Thank you for your request of 9 September 2008 requesting fish farm site information relating to salmon and cod farms sites where diseases were reported from the period 1st March 2008 to 1st September 2008. We are dealing with this under the Environmental Information (Scotland) Regulations 2004.

I can confirm that we do hold the information you requested, and enclose a table containing the following: company name, site, result, species and number of occurrences.

If you are unhappy with the way we have handled your request, you have the right to request us to review it. You should address your request to:

Professor Robin Cook,
Chief Executive
FRS Marine Laboratory
P.O. Box 101 Victoria Rd
Aberdeen
AB11 9DB
Tel: 01224 976544
Fax: 01224 295511
r.cook@marlab.ac.uk

Your request should explain why you wish a review to be carried out, and should be made within 40 days of receipt of this letter. We will reply within 20 days of receipt. The review will be carried out by someone not involved in the original decision-making. If our decision is unchanged following a review and you remain unsatisfied, you then have the right to make a formal complaint to:

The Scottish Information Commissioner,
Kinburn Castle
Doubledykes Road
St Andrews
Fife
